### **Grace** (John 3:17)

Jesus came into the world to love people (and not to condemn them). He has told us to accept people for who they are and allow God to change them into who He wants them to be. It is in this atmosphere that people find the greatest healing and hope in Christ.

### **Relationships** (1 John 4:11)

We are called to live in loving accountability as a community rather than independently. We value our relationship with God and relationship with others and believe both are necessary in growing spiritual maturity.

### **Outreach** (Matthew 28:19-20)

God desires that all people should come into a relationship with Him through a personal relationship with Jesus Christ. He invites us to function as His representatives in our homes, neighbourhood, church, work and world.

### **Worship** (Romans 12:1)

We believe that worship from the beginning is not only an expression of our lives to God through singing, prayer, and acts of obedience but a lifestyle that should be lived as we grow closer to Christ exhibiting His life in us in our personal lives, relationships, church, and touch upon the world.

### **Truth** (2 John 1:4)

God's Word reveals not only His truth to us but that Jesus Himself was the embodiment of truth (John 7:14). Through a relationship with God, He reveals and refines the truth in us so that we can know the truth, experience truth and walk in the truth of Who He is and a life that is pleasing to Him. Lives are shaped by God's Word in grace and truth.

### **Holy Spirit Led** (Acts 1:8)

But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.
