

**Father we give you thanks for your word
Father help us to embrace your word**

**Father help us in the moments where things might
seem fanciful to us because we are so entrenched
in the ordinariness of our days, our lives, our families
and our jobs and all whatever it is that goes on.**

**Help us, I pray Father, to hear your word and
to really embrace it.**

**And we say *"Maranatha, come soon Lord Jesus!"*
Amen.**
